Frenchs Forest Bushland Cemetery

Audio Visual Requirements

Frenchs Forest Bushland Cemetery has an audio-visual room in our chapel:

The Lorikeet room

We have an assigned commissioner to assist you on the day of your service.

We prefer MP3 files for music and PowerPoint files for video on USB flash drive or via Dropbox.

Blu-Ray & DVD is not available.

Please ensure your photo presentation has been finalised and tested with your chapel commissioner via Dropbox
www.dropbox.com 24 hours prior to the service.

Dropbox instructions available at <https://nmclm.com.au/frenchs-forest/chapels-facilities/>

For all technical advice regarding your presentation and audio requirements, please call 9451 6204.

The below formats are compatible with the chapel equipment

Audio/Music

- MP3 files on USB flash drive (preferred)
- MP4 files on USB flash drive
- Windows Media Audio (.wma) files on USB flash drive
- CDs

Video

- MP4 video files with music attached on USB flash drive
- Windows Media Video .wmv files on USB flash drive
- PowerPoint Slideshow (preferred). Music must be attached.

PLEASE NOTE

We are unable to create presentations prior to a service due to time constraints. PDF files are unsuitable for presentations.

We CANNOT accept individual photos on a USB flash drive except for a single image to be used as a tile screen.

ALL PHOTOS MUST BE in a presentation, i.e. MP4 video, Windows Media Video (.wmv) with music attached.

We do not utilise media streaming services such as, Spotify, Apple Music, YouTube links etc.

If using an Apple Mac, you can produce video to MP4 format through iMovie.

If you would like to book a test for your completed presentation, please call us on 94516204 preferably 2 days prior to your service or Dropbox via the details above.
