Coronavirus Precaution

6 August 2020

Thank you for your continued support during this challenging time. We understand that families experiencing grief may find the current restrictions upsetting. At Northern Cemeteries we will continue to support our funeral directors, families and the community as together we comply with the relevant NSW Public Health Order to limit the spread of Coronavirus (COVID-19).

Attendance limit

Northern Cemeteries is adhering to the NSW Government restrictions to funeral attendances at a maximum of 100 mourners at services, subject to the one person per 4 square metre.

We offer excellent free web-casting facilities for all those who are unable to attend chapel services.

Hygiene

We clean all Chapels before and after services with hospital grade disinfectant.

We ask all visitors to practice good hygiene, wear face masks during services and use the hand sanitisers provided.

Physical distancing

Maintaining a safe distance is mandatory. We ask everyone to adhere to physical distancing rules, maintaining a distance of at least 1.5m from one another.

Individuals

For the safety of families and the general public, we are asking that anyone who is feeling unwell not attend the funeral service. Individuals who are unwell should remain at home and take the necessary steps to care for their health as well as care for the safety of others.

If you live outside of NSW or have travelled outside of NSW in the last 14 days

In accordance with the new Public Health (COVID-19 Border Control) Order 2020, Northern Cemeteries advises that any person who has been in the state of Victoria within the previous 14 days, is not permitted to attend a Northern Cemeteries site to attend a funeral or for other purposes.
