Guidelines for people attending funerals

6 August 2020

Northern Cemeteries continue to support our families and the community as together we comply with the relevant NSW Public Health Order to limit the spread of Coronavirus (COVID-19).

Attendance

Northern Cemeteries is adhering to the NSW Government rule of one person per 4 square metre to manage attendances at funerals.

For chapel services, the attendance capacity varies depending on the size of the chapel and will be clearly displayed in each chapel.

Wear a face mask

All visitors to Northern Cemeteries are strongly encouraged to wear a face mask when they visit any of our sites.

If you are feeling unwell or have symptoms

For the safety of attendees, staff and the general public, we are asking that anyone who is feeling unwell not attend the funeral service. We also ask that anyone who has respiratory or COVID-19 symptoms not attend.

Individuals who are unwell are encouraged to remain at home, seek medical advice, and take the necessary steps to care for their health as well as care for the safety of others.

If you live outside of NSW or have travelled outside of NSW in the last 14 days

In accordance with the new Public Health (COVID-19 Border Control) Order 2020, Northern Cemeteries advises that any person who has been in the state of Victoria within the previous 14 days, is not permitted to attend a Northern Cemeteries site to attend a funeral or for other purposes.
