Frenchs Forest Bushland Cemetery

Audio Visual Requirements

Frenchs Forest Bushland Cemetery has an audio visual room in our chapel:

The Lorikeet Room

We have an assigned commissionaire to assist you on the day of your service.

We prefer MP3 files for music and PowerPoint files for video via Dropbox. *Blu-Ray, CD and DVD is not available.*

Please ensure your photo presentation has been finalised and tested with your chapel commissionaire via Dropbox www.dropbox.com 24 hours prior to the service.

Dropbox instructions available at <https://nmclm.com.au/wp-content/uploads/2020/11/Dropbox-Instructions-For-Families.pdf>

For all technical advice regarding your presentation and audio requirements, please call 9451 6204.

The below formats are compatible with the chapel equipment

Audio/Music

- MP3 files (preferred)
- MP4 files
- Windows Media Audio (.wma) files

Video

- MP4 video files with music attached
- Windows Media Video .wmv files
- PowerPoint Slideshow (preferred). Music must be attached.

Please note

We are unable to create presentations prior to a service due to time constraints.

PDF files are unsuitable for presentations.

We cannot accept individual photos except for a single image to be used as a tile screen.

All photos must be in a presentation, i.e. MP4 video, Windows Media Video (.wmv) with music attached.

We do not utilise media streaming services such as, Spotify, Apple Music, YouTube links etc.

If using an Apple Mac, you can produce video to MP4 format through iMovie.
