COVID-19 Guidelines for Funeral Directors

25 March 2021

Thank you for your continued support during the pandemic which has been challenging for us all. At Northern Cemeteries we will continue to support our funeral directors, families and the community as together we comply with the relevant NSW Public Health Order to limit the spread of Coronavirus (COVID-19).

Attendance

Northern Cemeteries is adhering to the NSW Government regulations to funeral attendances at services, subject to the 1 person per 2 square metre rule.

We offer excellent free web-casting facilities for all those who are unable to attend chapel services.

If you have been in one of the NSW Covid-19 'hotspots'

Anyone who has been in one of the locations identified as a COVID-19 hotspot must follow the advice of NSW Health – you can get the latest information here <https://www.nsw.gov.au/covid-19/latest-news-and-updates#latest-covid-19-case-locations-in-nsw>

QR Code: –mandatory record of attendance

The NSW Government requires that anyone attending a funeral service must supply their name and contact details so that they can be used for contact tracing. Please assist us by providing your contact details before the service commences via our QR Code system. Our staff will be on hand to assist.

Hygiene

We clean all Chapels before and after services with hospital grade disinfectant.

We ask all visitors to practice good hygiene and encourage attendees to wear face masks during services and use the hand sanitisers provided.

Physical distancing

Maintaining a safe distance is mandatory. We ask everyone to adhere to physical distancing rules, maintaining a distance of at least 1.5m from one another.

Individuals

For the safety of attendees, staff and the general public, we are asking that anyone who is feeling unwell not attend the funeral service. We also ask that anyone who has respiratory or COVID-19 symptoms not attend.
