Always

Always caring for the community in all its diversity

Acknowledgement of Country

In the spirit of reconciliation, Field of Mars Cemetery acknowledges the traditional custodians of this land, the Darug People. The spirit of the Darug can be found across the region and we honour the memory of their ancestors.

These traditional homelands are ancient and sacred to the Darug who have a deep sense of belonging, both traditional and contemporary, because they are part of the world's oldest surviving, continuous living culture on the planet.

Our totem The Butterfly

Totems are a natural object or creature that is believed to have spiritual significance and can be adopted by particular groups as an emblem or symbol.

The lesson of the butterfly is about transformation. It asks us to see our potential and to be aware of not getting stuck in the cocoon.

The butterfly helps us recognise when we are ready for change so we can spread our wings and fly.
