## Guidelines for people attending funerals

23 June 2021

Northern Cemeteries continues to support our families and the community as together we comply with the relevant NSW Public Health Order to limit the spread of Coronavirus (COVID-19).

### **Attendance**

Northern Cemeteries is adhering to the NSW Government regulations to funeral attendances at services, subject to the 1 person per 4 square metre rule.

For chapel services, the attendance capacity varies depending on the size of the chapel and will be clearly displayed in each chapel.

### **If you have been in one of the NSW Covid-19 'hotspots'**

Anyone who has been in one of the locations identified as a COVID-19 hotspot must follow the advice of NSW Health – you can get the latest information here <https://www.nsw.gov.au/covid-19/latest-news-and-updates#latest-covid-19-case-locations-in-nsw>

### **QR Code: –mandatory record of attendance**

The NSW Government requires that anyone attending a funeral service must supply their name and contact details so that they can be used for contact tracing. Please assist us by providing your contact details before the service commences via our QR Code system. Our staff will be on hand to assist.

### **If you are feeling unwell or have symptoms**

For the safety of attendees, staff and the general public, we are asking that anyone who is feeling unwell not attend the funeral service. We also ask that anyone who has respiratory or COVID-19 symptoms not attend.

Individuals who are unwell are encouraged to take a COVID test immediately. For their safety, their loved ones and the broader community they must isolate for 14 days until they receive a negative result.

### **If you have returned from interstate in the last 14 days**

The Covid-19 Concerns Notice means that anyone who is in NSW or planning to visit NSW is required to:
