# Acknowledgement of Country

In the spirit of reconciliation, Macquarie Park Cemetery and Crematorium acknowledges the traditional custodians of this land, the Darug People. The spirit of the Darug can be found across the region and we honour the memory of their ancestors.

These traditional homelands are ancient and sacred to the Darug who have a deep sense of belonging, both traditional and contemporary, because they are part of the world's oldest surviving, continuous living culture on the planet.

## Our totem

# The Angophora Tree

Totems are a natural object or creature that is believed to have spiritual significance and can be adopted by particular groups as an emblem or symbol.

The angophora tree was a special tree to the Darug people who are the Traditional Custodians of the area. The angophora was an ascension tree, a place where the spirits would go up and down from this earthly plane.

At the time of pregnancy, a woman would sit at the base of the tree and wait for the spirit of her child to enter her belly into her unborn child. At the other end of the life cycle, when someone passes, the body is wrapped in bark and placed in the large branches up the tree, to allow the spirit of the person to return to the heavens.

# Chapels and cremation services

Chapels fees below include the use of the chapel and a chapel commissioner for a 45 minute time period. A 15 minute interval is scheduled prior to each time period to allow for cleaning of chapels and funeral directors to set-up and discuss their service with the chapel commissioner.
