About Macquarie Park Cemetery and Crematorium

Set on 145 acres of beautifully maintained grounds we are northern Sydney's premier cemetery and crematorium, serving the local community since 1922.

Our Mission

Always caring for the community in all its diversity.

Our Values

Ensuring that everyone in the community has access to respectful dignified services and memorialisation. Macquarie Park Cemetery and Crematorium is part of Northern Cemeteries which consists of five unique sites located on Crown land.

Each location has its own distinct personality catering to diverse communities with individual cultural, traditional and religious needs. As a not-for-profit community organisation, we strive to provide consistency in everything we do whilst ensuring we deliver our vision and mission every day.

Planning Ahead

Many families choose to benefit by planning ahead and securing positions at today's prices in a not-for-profit community cemetery. This gives them peace of mind knowing that requests will be honoured and family members will be saved from making difficult decisions at an emotional time.

Always caring for the community in all its diversity

Designed as a semi-open space to complement the surrounding area, the building provides a sanctuary for remembrance, worship, and quiet reflection.

The Mausoleum of the Holy Way offers a quality range of burial and ash memorialisation options; and is located adjacent to the Stations of the Cross area in the Catholic section.

Features include:

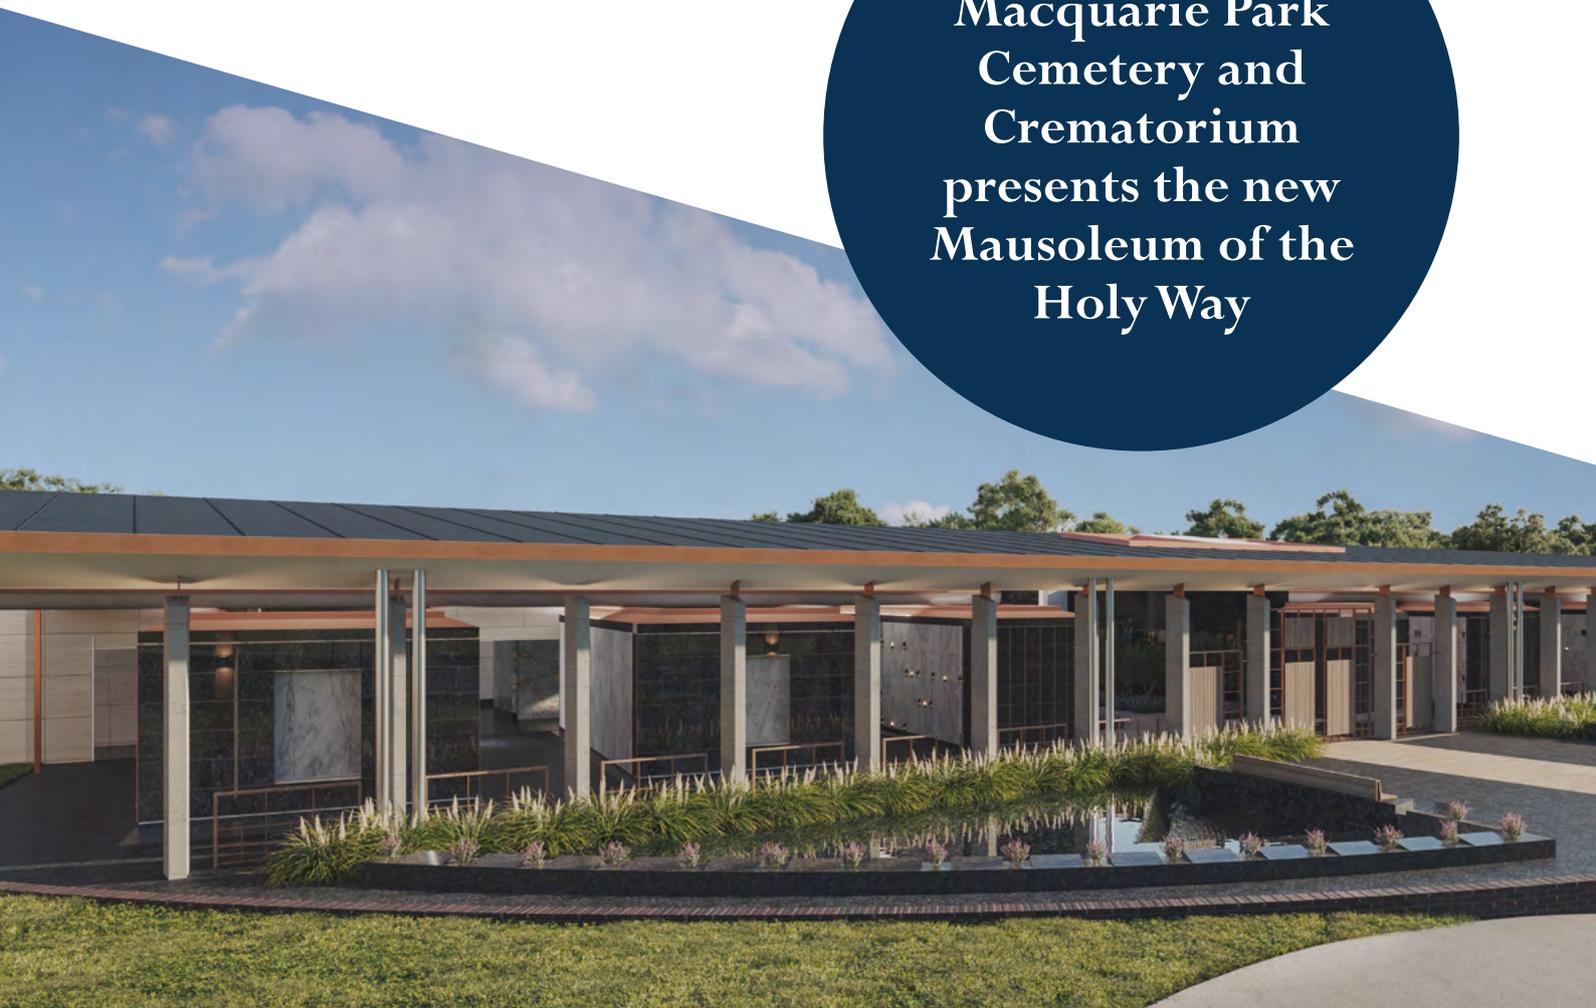

- 660 above ground crypts with natural stone (doubles and singles)
- Five distinct family vaults, each providing 12 crypt spaces
- Various columbaria spaces for ash interments (space for 2, 3 and 4 ash placements)
- Courtyard and water features at the entrance of the complex
- New landscaping including a separate reflection garden
- New amenities block

High ceiling levels and use of stone and other natural finishes gives the building a high quality and sustainable feel. Artistic elements include integration with the existing Stations of the Cross statues as well as spaces for potential display of public artworks.

Construction commenced in early September 2020 with a completion date of late 2021.
